

WATERPROOF BURIAL GRADE WIRE SPLICES!

*SUPERIOR WATERPROOF WIRE SPLICERS insure that you get the best connection possible on your pet fence wire splices. **To use:***

- 1. Push the two ends of the wires into the outer two holes in the splice. View from the bottom to make sure the wires are fully inserted.*

- 2. Using pliers squeeze the top black button down solidly until it bottoms out.*

Additional splices are available from www.hightechpet.com
